Re: *Bobbitt v. Filipowski, et al.*  
Case No. 04-12263-PBS

Dear Judge Saris:

Enclosed please find a [Proposed] Order Preliminarily Approving Settlement and Providing for Notice, in the above-referenced action. Counsel for all parties have approved it as to form.

As we informed the Court during the preliminary approval hearing in June, the parties have agreed that no notice of the settlement will be sent to the Class until the Bankruptcy Court approves the use of the insurance proceeds to fund the settlement. Therefore, upon such approval, the parties will contact this Court to set dates for notice, the final approval hearing and objection and exclusion deadlines. As a result, the enclosed proposed order does not contain a hearing date or any specific deadlines. The parties will submit this Order, once entered, along with a motion for approval of the use of insurance proceeds to fund the Settlement, to the Bankruptcy Court in the very near future.

If you have any questions, please do not hesitate to contact me.

Respectfully submitted,

David Pastor
